NATURE'S TOUCH IN
EVERY SPACE

Our biophilic design concept integrates natural elements into every aspect of ONCE Wongamat. By incorporating natural light, water, wind, greenery, and organic materials, we create a living environment that promotes health, happiness, and productivity. This sustainable design approach not only enhances the aesthetic appeal but also fosters a deep, soulful connection with nature, enveloping you in a sanctuary of peace, tranquility, and rejuvenation.

RESERVE

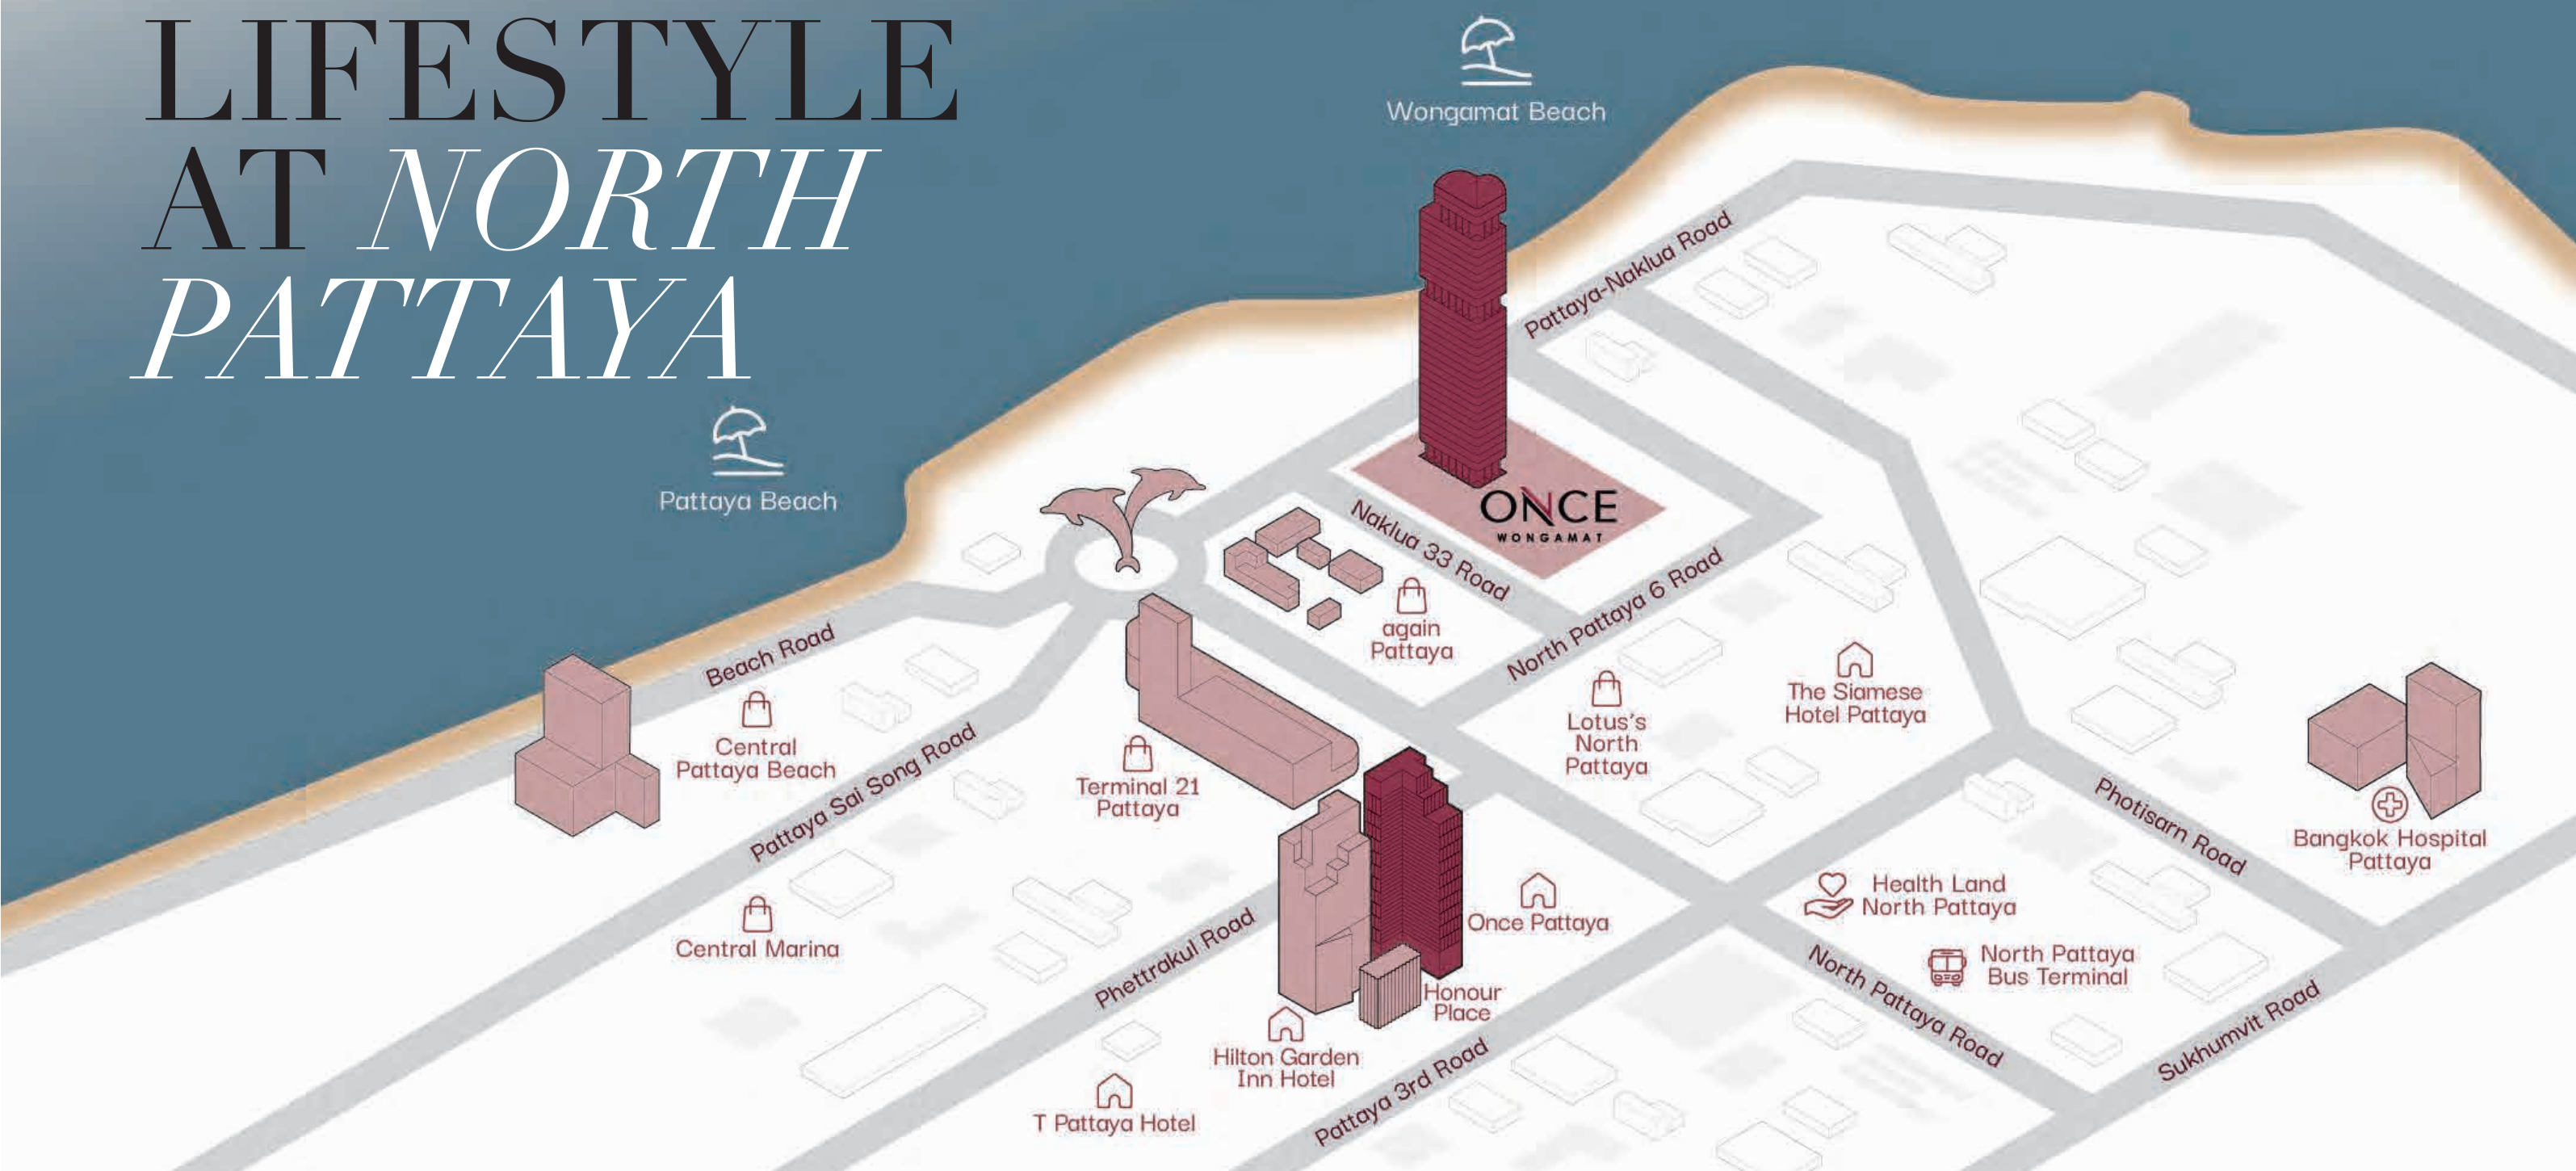

The exterior of ONCE Wongamat is a testament to sophisticated elegance and modern design. Inspired by the surrounding natural beauty, our architecture features clean lines, natural materials, and lush landscaping. With panoramic sea views from every unit, the facade seamlessly blends with the environment, creating a visually stunning and ecologically sensitive development that stands out as a landmark of refined living.

WHERE SKY MEETS SEA
IN TIMELESS SYMPHONY

The rooftop observation deck at ONCE Wongamat offers a breathtaking panoramic view, where the city's skyline blends seamlessly with the boundless horizon. From the first light of dawn to the golden glow of sunset, every moment becomes part of a living masterpiece, painted across the canvas of sky and sea.

Thoughtfully designed as an open-air sanctuary, it invites you to step away from the bustle below. Here, the gentle ocean breeze, the vast expanse of blue, and the ever-changing light create a symphony of serenity—an experience that lingers long after you've returned indoors.
